

## Pear Variety Chart

*Bartlett*- Juicy and sweet!  
Starts out green but gets more yellow as it ripens. Often has a red blush. There is also a Red variety that turns red instead of yellow.

*Anjou*- Beautiful green color and don't need to be peeled. They are perfect in salads or pies!

*Bosc*- Crisp and less sweet than the other two varieties. They have a long neck and reddish brown skin rather than green.
